

Submitter: Bob Sowdon

On Behalf Of: Oregon Citizens Lobby

Committee: Senate Committee On Natural Resources and Wildfire Recovery

Measure: SB1534

Chair Sen Golden and committee members

I urge a NO vote on SB 1534

Climate Change! Yes, climate changes always has and always will, but has nothing to do with environmental justice communities, this bill is a waste of time and money by creating more measurements and reports that create more committees and incentive-based programs that will have no effect on the climate! Cap and Trade is and will always be a money trap that will do nothing but increase the price of energy,
