Committee: House Committee On Business and Labor
Measure: HB4002

Honorable Committee on Business & Labor,

I fully support HB 4002 to fairly compensate workers. Bill has been long over due in Oregon. HB 4002 is Win/Win for Labor & Farm Business Owners, alike. Great Solutions. Please fully support HB 4002 to signing by Governor Brown.

Thank you for your full Consideration & Support of a Critically Important Advance in Fair Labor Principals & Practice for all concerned.

Best Wishes,

Cyndi Karp

Note: I like this new, Oregon Legislative Information System. Do you send a copy of my Public Comments to my Email Address? I would like to be able to include my Local Representative & Senator as courtesy email of information. Letting both of them to know my position without have to copy & paste to an email. Which is what I have done. Easy to do by Zip Codes. Can have an auto fill to better represent all of the People's & keep local Congress informed of Constituents comments. I might have challenges with producing a pdf with a free program on an old computer. Time will tell.
