

Submitter: George Roach

On Behalf Of:

Committee: House Committee On Human Services

Measure: HB4079

I strongly oppose this bill. It is a sales tax which we voters of Oregon have rejected. Oregon has a surplus of unfulfilled jobs and I suggest if a person needs income, they apply for a job. This is so wrong. Please vote no and restore my faith that our elected representatives have some common sense of fairness.

Signed a lifelong Oregonian and taxpayer
