On Behalf Of:

Committee: House Committee On Human Services

Measure: HB4079

Ladies and Gentlemen,

Please vote no on HB 4079.

This is just the camel getting its nose in the tent. Once we have a sale tax for anything it will be only a matter of time before it includes others things. History has proven this true with sales taxes in the past in other states. Sales taxes also only increase in percentages, If we start with 3% it will only be a matter of time before it starts pushing 10%.

Giving \$750.00 debit cards to the homeless is not a good idea either, we all know many of the homeless have addiction issues, there is no guarantee that can be made that these debit cards will not be used to trade for drugs. We should not be enabling drug abuse, to do that would be the most irresponsible thing we as a state could do in helping addicts get off drugs.

Respectfully,

Joe Wilson
