Supporting HB 4133 with amendments

Dear Chair Smith Warner, Vice-Chairs Breese-Iverson and Fahey, Members of the House Committee on Rules,

Thank you for the opportunity to provide some very brief comments in support of House Bill 4133 so long as "Social Security Number" can be replaced with "Last four digits of Social Security Number" throughout the bill. Doing so would clarify that clerks are not storing full Social Security Numbers.

This change in the bill would occur here:

Section I

Line 10 (d) ~~Social Security number~~ Last four digits of Social Security Number.

Line 13 (B) Electronically submit image of the person's signature if the person is registering to vote ~~using a valid Social Security number~~. Using the last four digits of their valid Social Security number.

Thank you for the opportunity to offer support and feedback. Oregon's county clerks welcome the opportunity to share professional expertise as this effort moves forward.

Sincerely,

OACC
