Re: Support for Farmworker Overtime

Chair Holvey, Vice Chairs Bonham and Grayber, and Members of the House Business and Labor Committee,

My name is Jose and I work at a feedlot in Oregon and I work in the processing of the livestock that arrives for the first time to the company.

My work schedule varies based on the time of year, the hours I work could be 10, 11 or even 12 hours in a day, 6 days a week.

That's why Overtime pay is very important for me and everyone working in agriculture. It would be a great achievement for the effort that has been made by farm workers to feed American families across the country.

That is why I ask that you take into consideration overtime pay for all of the agricultural workers. I ask for you to vote in favor of HB 4002.
