

Submitter: Jim Buckovic

On Behalf Of:

Committee: House Committee On Business and Labor

Measure: HB4002

I am a farmer and I oppose HB4002. I hire seasonal help during summer harvest. Hours of work vary depending upon when crop is ready to harvest. Weather can change plans. Hours in a week can vary for employees. Adding overtime to payroll can lead to reduced hours in a short season. Net effect employee earns less. Please vote this bill down.
