

Submitter: Vivian Battjes

On Behalf Of:

Committee: House Committee On Human Services

Measure: HB4079

I could not move forward on the public site to submit a written testimony. So here it is: vote NO on H.B. 4079. We do not need more sales taxes to be taken out of our goods. Use the billions in surplus to help the homeless. We are the 4th largest state in the nation spending THE PEOPLE'S MONIES. Please stop this bill and vote no.
