Measure: HB4079

NO. NO. There is no Why my tax money or any Oregon citizens tax money should go to pay a monthly stipend to a homeless person. They need to get off their butts & work just like the rest of us & pay their own way. Why enable someone who doesn't want to work or be a productive citizen? This bill will open Oregon up for an influx of more homeless & more crime. STOP SUPPORTING & ENABLING PEOPLE TO DO NOTHING.
