

Submitter: Jerry Temple

On Behalf Of:

Committee: House Committee On Business and Labor

Measure: HB4002

I oppose HB 40002. This is a continuation of restrictive legislation that hampers agriculture. Oregon agriculture needs productive help in it's efforts to feed the world and keep food in the grocery stores of this country. This bill is not a positive effort to attain this goal. The voices of Oregon Agricultural Representatives should be listened to very carefully on this debate as this is not a win,win bill.
