

Submitter: Kevin Westfall

On Behalf Of:

Committee: House Committee On Business and Labor

Measure: HB4002

Please oppose the HB 4002. This bill will devastate Oregon agriculture. Farmers cannot charge more than the market price for their goods and cannot pass along farm costs. Farm workers will be hurt the most because their hours will be cut and farmers will switch to less labor intensive crops. If farmers are not in business then farm workers will be hurt the most.
