

Submitter: Karen Sprague

On Behalf Of:

Committee: Senate Committee On Natural Resources and Wildfire Recovery

Measure: SB1564

I disagree with this SB 1564 it penalizes Oregon hemp growers. Many of Oregon's hemp growers took a break in growing due to over supply. I think that we are 87% down on our acreage. To put a moratorium would not allow growers back in. No other agriculture industry has this over reach.
