

Submitter: Susanna Askins

On Behalf Of:

Committee: House Committee On Environment and Natural Resources

Measure: HB4080

Wildlife Services is a highly controversial program within the U.S. Department of Agriculture that carries out lethal predator control on public and private lands throughout the U.S. using cruel killing methods that include poisoning, trapping, snaring, aerial gunning, and paid hunters. This is outrageous and I strongly oppose this ignorant, cruel proposal (HB 4080).
