On Behalf Of: Mr Oregon Opposes SB 1537  
Committee: Senate Committee On Housing and Development  
Measure: SB1537

Tuesday; [02.08.22]

I strongly OPPOSE [SB 1537].

Special interest groups whispering sweet-environmental nothings into your ears?

[SB 1537] is just another piece of legislation supported by the worn-out, President of the Senate.

[SB 1537] if passed, will certainly reduce the energy efficiency of homes, make homes reliable on electrical energy only and cost more to build.

More costly regulations. I am surprised [SB 1518] (Reach Codes) wasn't nested within [SB 1537].

[SB 1537] makes no comment on how Oregon is going to meet its' power requirements either.

[SB 1537] should be cast into the dustbin with extreme prejudice.

David S. Wall  
Mr. Oregon Concurs.
