On Behalf Of:

Committee: House Committee On Environment and Natural Resources

Measure: HB4080

Please oppose HB 4080, which would essentially raise money for the USDA's Wildlife Services program. Americans pay millions of tax dollars each year to fund Wildlife Services' torturous slaughter of approximately 100,000 predators, using extremely cruel and ineffective methods. HB 4080 would not require the use of alternatives that don't require killing and not obligate ranchers to change their livestock management practices to reduce predator conflicts.

Oregon ought to focus instead on peacefully co-existing with wildlife.

Thank you.
