Measure: HB4002

Dear Chair Holvey and Members of the House Business and Labor Committee,

I am writing to you today in support of farmworker overtime. Farmworkers should receive overtime pay after 40 hours in a workweek at one and one-half times the employee's regular rate of pay.

Farmworkers are a necessary part of our entire economy, and it is past time that they be rewarded with overtime for the time they put in to get the crops to American tables. I support this bill and hope to see it passed this legislative session. Many thanks.

I urge you to pass farmworker overtime in the 2022 Legislative Session to ensure farmworkers in Oregon are paid fairly for their skilled and essential labor.

Sincerely,

Molly Divine
