Dear Chair Holvey and Members of the House Business and Labor Committee,

I am writing to you today in support of farmworker overtime. Farmworkers should receive overtime pay after 40 hours in a workweek at one and one-half times the employee's regular rate of pay.

I respect the farmworkers who supply us with our food. Their annual salaries are pitiful. It is at least a step in the right direction to give them overtime. It is so deserved, and so necessary to our food production to keep workers and their families monetarily secure.

Overtime pay law was created to discourage employers from overworking employees. Before 1938, employers overworked workers even to the point of death. Exclusion from overtime pay requires farmworkers to work many hours without having time to do other things.

It is time for Oregon to join several other states in ending this racist practice of excluding agricultural workers from overtime pay.

I urge you to pass farmworker overtime in the 2022 Legislative Session to ensure farmworkers in Oregon are paid fairly for their skilled and essential labor.

Sincerely,  
Teresa Mueller
