

Submitter: Marilyn Ellis OMN CIG

On Behalf Of:

Committee: House Committee On Environment and Natural Resources

Measure: HB4080

I am in complete opposition. As a wildlife educator I seek to inspire the public to understand and respect wildlife and to save it not kill it! biodiversity is necessary. Our apex predators keep the earth healthy and balanced. This is a terrible idea. There are many humane/no kill solutions. No no no to HB4080
