Committee: Senate Committee On Energy and Environment

Measure: SB1589

My name is Chad Wiley and I work at Active Water Sports. I am writing to express my opposition to SB 1589. This bill would have a drastic effect on both my personal and professional life. I spend lots of time on the river boating, fishing, paddleboarding, etc. The river is a place that all Oregonians should have equal access to recreation.

I am all for safe, responsible boating on the river and preserving this beautiful stretch of the river but SB 1589 unfairly targets a select group of river users.
