Measure: HB4133

I strongly oppose this Bill. Only corruption can come of this proposed bill HB4133. Furthermore this bill insults every oregon citizen by telling us we are not smart, determined or willing enough to sign up to vote. Furthermore, this would encourage the mass gathering of illicit votes by anybody willing to pay. In short order the winner of any election will be the person who pays the most to get into office! So Oregon just wants the rich and privileged to be in the seats of power? Our state would simply become a corrupt oligarchy.
