

Submitter: Amelia Barton
On Behalf Of:
Committee: House Committee On Rules
Measure: HB4133

I strongly oppose HB 4133

Allowing voter registration online with only the last 4 digits of a social security number is outrageous and will lead to VOTING FRAUD.

This would allow *anyone* with anybody's SSN to be used. It also allows for 3rd party organizations to submit a social security number to register other people.

Vote NO. This is voter fraud.

Thank you.
