

Submitter: Elizabeth Leondar

On Behalf Of:

Committee: House Committee On Rules

Measure: HB4133

Are you people for real? Stop trying to add fraudulent voters to the voter rolls! I have already had my SSN used by an illegal person to apply for employment illegally, and applying this to voter registration will just encourage more illegals to steal SSNs in order to illegally vote in Oregon elections. We want voter ID!! Confirmation of address, picture ID, AND signature verification.
