

Submitter: Cherri Gallison

On Behalf Of: HB4002

Committee: House Committee On Business and Labor

Measure: HB4002

Our farm workers feed us by doing the hard labor needed to produce and harvest crops in Oregon. I know one gentleman died working long hours in last summers heat. That should not be allowed and these hard workers deserve to be paid overtime pay like everyone else. I will accept the potential increase in my grocery bills to treat these farm workers more fairly.

Please pass this bill.
