Committee: House Committee On Rules  
Measure: HB4133

I oppose HB4133"

Section 5 of this bill states:

(5) The electronic voter registration system may also include an application programming interface to allow third-party organizations to securely submit registration cards electronically on behalf of individuals. In order to submit registration cards under this subsection, a third-party organization must be approved as a voter registration organization under a process designed by the Secretary of State by rule. Please bring voter integrity back and stop bills like this from further causing question in our elections
