

Submitter: Debi Sands
On Behalf Of:
Committee: House Committee On Rules
Measure: HB4133

Vote NO on HB4133!!!

It will be conducive to rampant fraud!! Anyone can hide anonymously behind a computer screen and type in someones last four SS#!! In fact I had someone use my SS# to purchase and set up a phone with Tmobile! The only legitimate way to vote to avoid is in person with an ID, the same way we get on an airplane!
