Wednesday; [02.09.22]

I SUPPORT [SB 1573].

The big question I have is, "Why does it take wildfires; burning down people's homes, killing livestock, destroying farm equipment and associated structures before you elected folks decide to 'get-off your worthless backsides' and fund thinning forests?"

I am 'Thankful' you have begun to 'see the light'.

Much more needs to be done.

'Two-thumbs up' for the Forestry Department!
