On Behalf Of: Mr Oregon Opposes HB 4002
Committee: House Committee On Business and Labor
Measure: HB4002

Wednesday; [02.09.22]

I OPPOSE [HB 4002].

Farming is crop type and weather dependent industry and cannot be subject to conditions and mandates set forth in [HB 4002].

If [HB 4002] is passed-severe economic repercussions will be readily apparent to everyone.

The current inflation rate, as of this writing, is [7.3%].

Supply-side issues and transportation costs will further exacerbate unacceptable costs to Farmers and Ranchers alike.

Additionally, [HB 4002] will put Oregonian Farmers and Ranchers in an uncompetitive marketplace since other states do not have similar pending and or approved legislation.

It would be an interesting statistic to see how many 'illegal-aliens' are hired by farmers and those 'illegal-aliens' who have tendered testimonies of 'support' for [HB 4002].

Mr. Oregon Concurs.
