On Behalf Of: Mr Oregon Supports HB 4142
Committee: House Committee On Judiciary
Measure: HB4142

Wednesday; [02.09.22]

I STRONGLY SUPPORT [HB 4142]!

There is an Amendment I would purpose;

All Hospitals should have requisite Police Officer(s) on duty to protect staff and patients;

All violent offenders are to be; remanded without bail pending trial, significant 'iron-clad' sentencing requirements, restitution orders and fines.

David S. Wall

Mr. Oregon Concurs-Make the violent offenders feel some real 'pain'.
