On Behalf Of: Mr Oregon Opposes SB 1550

Committee: Senate Committee On Human Services, Mental Health and Recovery

Measure: SB1550

Wednesday; [02.09.22]

I OPPOSE [SB 1550] WITH EXTREME PREJUDICE.

The Governor got us into this mess and now wants the 'Office of Immigrant and Refugee Advancement' transferred from the Office of the Governor to Department of Human Services.

The Governor has gotten Oregon into a terrible predicament with the 'Sanctuary State' issue-now we are really going to pay for 'Open Borders' from the Brain-Dead Biden administration.

Look at the word 'Advancement' for a moment.

What about citizens of the United States of America who live and pay taxes to Oregon, 'Advancement'?

Wait until [SB 1591] and all of those 'Family Care Homes' containing (20) kids shows up in your neighborhoods.

If I were Governor this would never be permitted.
