On Behalf Of: Mr Oregon remains Neutral on HB 4153

Committee: House Committee On Economic Recovery and Prosperity

Measure: HB4153

Wednesday; [02.09.22]

I am NEUTRAL on [HB 4153].

I am concerned with the Text, "...(h) Diversity and inclusion initiatives;...".

If everyone is treated 'equally under the law'... I think [HB 4153] is a worthwhile investment in the video and film related arts.

If everyone is not treated 'equally under the law'...[HB 4153] I will receive withdraw my support.

Good luck to all in your pursuit of the video and film arts!
