

FROM THE DESK OF SAL PERALTA

2/10/2022

Chair Smith-Warner and members of the committee,

My name is Sal Peralta. I am chair of the Mid-Valley Council of Governments and a co-founder of the Independent Party of Oregon.

I am testifying in support of HB 4114. This legislation would bring school board members into the same category as all other volunteer and paid elected officials in Oregon in that they would be required to provide statements of economic interest that could be used to help determine whether any conflicts of interest exist.

This is a small but significant tightening of good government regulations. It should be non-controversial and I support the passage of this law.

Respectfully,

Sal Peralta
