On Behalf Of:  
Committee: Senate Committee On Rules  
Measure: SB1561

DON'T DISENFRANCHISE MY DONATION MONEY--DON'T USE THE TAX MONEY TO PAY FOR CAMPAIGN FINANCING--THIS BILL WILL ONLY FURTHER ERODE THE INFLUENCE OF THE INDIVIDUAL DONOR.

"I don't want my tax dollars going to match communist MONEY campaigns. And I don't want you to make it easier for organizations to donate and control finances than it is easy for individuals to donate. My money is going to be disenfranchised by this legislation.

"No legal and responsible legislative member would vote for this bill. If you vote for it, you are making it clear you are intending to subvert the basic premise of free and fair elections, and therefore show you are against the Oregon and United States Constitutions."
