

Submitter: Sunnie Sanchez  
On Behalf Of: SUPPORTS HB 4140  
Committee: House Committee On Rules  
Measure: HB4140

Good morning, chair, co-chair, members of the committee and staff,

Thank you for considering HB 4140. I am a Corvallis resident and absolutely support this bill.

It has been of great concern that private emails are being used by public officials on public affairs. Particularly, the many commissions and boards. The private email records of public officials appointed to executive commissions and boards are unretainable. In my experience, it is clear that some public officials who make decisions on public affairs are not playing fair with requestors and something must be done to strengthen transparency and accountability.

Please pass HB 4140.

Thank you for your time on this very important transparency issue.

Respectfully,  
Sunnie Sanchez
