

Submitter: Jen Holland

On Behalf Of:

Committee: House Committee On Judiciary

Measure: HB4131

I am writing to oppose HB 4131. There is no place for the use of impact projectiles intentionally aimed at people's heads and chemical weapons on our streets, whether or not a "riot" is declared. This is not only a civil liberties issue, but a public health issue, as citizens beyond those showing up for protests have been affected by the use of chemical weapons by Law Enforcement Officers.
