Committee: Joint Committee On Transportation  
Measure: HB4141

The elimination of Diesel fuel, would completely cripple this state. Absolutely every farmer, rancher and transportation mode in this state use diesel fuel. Without Diesel there will be NO groceries in the stores, there will be no fields planted, no children delivered to school, no buildings being built, no bridges or other infrastructure being built/repared. This idea is absolutely ludicrous. PLEASE DO NOT VOTE FOR THIS BILL. It hurts ALL Oregonians even YOU!
