

Submitter: Sheryl A Ewen

On Behalf Of:

Committee: Joint Committee On Transportation

Measure: HB4141

We are a working ranch in Lincoln County. Why is it that no one is asking those of us who actually are doing the work of managing the land, getting food sources and resources to market, providing for those animals, etc. the best ways to manage resources? This bill would stretch our already dangerously limited resources to the breaking point. We the people ARE done with not being listened to...
