

Submitter: Amanda Richardson
On Behalf Of: Farmers
Committee: Joint Committee On Transportation
Measure: HB4141

What are you doing: haven't we been through enough.coming from a Fran family. My kids want to be able to run the farm one day as well, this bill is going to end family farms. The costly prices for fuel right now are struggling enough. Putting new restrictions on equipment will bankrupt the farmers. Oh but wait you think your bread and noodles and milk just come from the store or Amazonprime " your so funny ". Those noodles you just had in your soup when you were sick with the Covid and the soup was 1.19\$ you pass this bill and you can say good by to that \$ and expect \$\$ and no noodles... chose Wisely
