

Submitter: Sandy Chung
On Behalf Of: Katrina
Committee: House Committee On Judiciary
Measure: HB4131

Katrina, Portland: I was tear gassed multiple times during the spring and summer of 2020. One of these occurrences was at a lawful protest and two occasions were because police indiscriminately tear gassed my neighborhood. For over a year after being exposed to these toxins I had significant and unusual uterine cramping and bleeding. I have an IUD and have not menstruated for years prior to these chemical weapon reactions.
