

Submitter: Sandy Chung
On Behalf Of: Riley
Committee: House Committee On Judiciary
Measure: HB4131

Riley, Portland: Are you just hoping that by now we've forgotten the horrors PPB/MCSO and other LEO brought to the streets of Portland in 2020? Blanketing the city. Poisoning citizens, children, immunocompromised during a pandemic? Using expired munitions (not that it'd be better, but it is worse). Stop militarizing our streets.
