

Submitter: Sandy Chung  
On Behalf Of: Community Member 17  
Committee: House Committee On Judiciary  
Measure: HB4131

Community member 17, Portland: I oppose weakening the law that restricts police from using tear gas & munitions against protestors & communities. People have a right to assemble and protest and we have often seen excessive use of tear gas and munitions on protestors and the communities they may be present in. There should not be indiscriminate use of force against communities and people gathering.
