On Behalf Of: Mr Oregon Supports the Police
Committee: House Committee On Judiciary
Measure: HB4131

Friday, [02.11.22]

IOPPOSE [HB 4131].

I fully support Police Officers to use any and all tools at their disposal, to quash riots in a controlled and expeditious matter, without the sophomoric-interference and or 'leftist' dribble from the State of Oregon's Legislature.

I fully support rioters taken into custody are to be held without bail prior to arraignment.

[HB 4131] is just another tool to 'hamstring' law enforcement and to fortify and or shield rioters for justice.

[HB 4131] appears to be written to favor Plaintiff Attorneys and with callous disregard for public safety.

David S. Wall

Mr. Oregon Concur-Personally, I don't care what happens to rioters who refuse to obey lawful orders from Police.
