

Submitter: Tammie Murray

On Behalf Of:

Committee: Joint Committee On Information Management and Technology

Measure: HB4155

House Bill 4155 should also incorporate more precise benchmarks, general fund cost and averted cyber-attack(s) and successful mitigation of hostage takeover release for bounty by hacker/black internet.

House Bill 4155 as written with the exception of the following:

Page 4, line 44-45 change language "the council for actual, reasonable and necessary travel and other expenses incurred a stipend of \$50 [if more than reasonably necessary if member if more than 100 miles from members residence] (or a per diem per day not to exceed per diem for all travel and expenses set by Oregon Wage and Hour Division) [a day for meal expenses incurred by member by reimbursement] in performing the member's official duties, ..."

Page 5, line 5; "confidentiality and HIPPA, ..."

Page 6, line 8 correction conferred "upon", not 'up'

Page 11, lines 18, 22, 26; taxpayer citizens should not be presented a Bill with \$ blanks for the amount of appropriation from the General Fund, Legislature needs to lock in the amounts and present for additional hearing(s).
