

Submitter: David Wall

On Behalf Of: Mr Oregon remains Neutral on HB 4070

Committee: Senate Committee On Human Services, Mental Health and Recovery

Measure: HB4070

Monday, [02.14.22]

I am Neutral on [HB 4070].

Taken from the Text of [HB 4070], "...and operate as a representative body that facilitates input from and communication with the peer constituency of the council..."

The aforementioned statement is vague and ambiguous and requires clarification.

I support Tribal representation without political and or administrative interference.

David S. Wall

Mr. Oregon Concur.
