

Submitter: Julie Thies

On Behalf Of:

Committee: House Committee On Education

Measure: SB1521

I STRONGLY OPPOSE THIS BILL !!! This is NOT your job when you dream up House Bills or Senate Bills!!!

This bill has no references of what criteria must be met in order to remove a Superintendent from their position, along with the FACT that School Board members are elected by the District Community who trust them with the duty of hiring, firing and employment of a Superintendent. This bill takes away the power of the voters and community to have the best employee for its own district needs.

Please do not allow this kind of bill into any type of consideration!
