

Submitter: Riley Haragan

On Behalf Of:

Committee: House Committee On Education

Measure: SB1521

I do not support SB 1521! This is a usurpation of the citizen's power. Citizens elect school boards, school boards hire and fire superintendents. If the superintendent is fired for wrongful cause, there are other protections in place to address the issue. This is not the legislature's place to put special protections in place for superintendents who violate their boss's wishes. Please vote NO on SB1521.
