Measure: SB1521

Hello,

My name is Hanna Heddy and I live in Newberg. My children's public schools were unfairly deprived of a superintendent halfway through this school year. The process that led to Dr. Joe Morelock's removal was far from ideal. Please join me in advocating for school board parameters which are more logical, organized, accountable, and fair both to the public, to the district staff, and to the students affected.

Thank you for your leadership and time,  
Sincerely, Hanna Heddy
