

Submitter: Ryan Webber

On Behalf Of:

Committee: Senate Committee On Education

Measure: SB1552

Our children were moved from their previous school pre-covid in to a virtual charter school. I couldn't imagine being left stuck in circumstances that are unhealthy and damaging to our children. Students needs are being met in the current model and choices need to be given to parents and students to find a match for their best learning opportunities. Our schools and educators need to more adaptable and flexible with the changes in our world now.
