

Submitter: David Wall
On Behalf Of: Mr Oregon Opposes SB 1505A
Committee: House Committee On Business and Labor
Measure: SB1505

Wednesday, [02.16.22]

IOPPOSE [SB 1505 A] as written.

.[SB 1505 A] builds upon [SB 5 (2021)]-one layer of crap over another.

Here is my Testimony for [SB 5 (2021)],

["Wednesday: June 16, 2021

Re: "Permits students participating in intercollegiate sports to earn compensation for use of name, image or likeness and to retain professional representation or athlete agent."

I OPPOSE [SB 5] AS WRITTEN...[SB 5] REQUIRES STRONGLY WORDED PROTECTIONS FOR STUDENT ATHLETES.

This piece of legislation is going to increase job opportunities for many professions- Attorneys for example.

AS WRITTEN [SB 5] does not protect student athletes from a myriad of academic and professional liabilities.

Where does this concept of "property rights" stop? Will High-school athletes be compensated? What about students term papers? Should "Property rights" be connected to compensate the student along with a specific grade?

I OPPOSE [SB 5] AS IT IS WRITTEN... David S. Wall

Mr. Oregon concurs"]

***[SB 1505A] utilizes athletes to increase tax revenues for the State of Oregon by 'pimping' Oregon Athletes.

***[SB 1505A] still refuses to address the legal protections student athletes need as they enter the commercial marketplace.

Mr. Oregon Concur-Again.
