On Behalf Of: Mr Oregon Opposes HB 4150

Committee: Senate Committee On Human Services, Mental Health and Recovery

Measure: HB4150

Thursday, [02.17.22]

I OPPOSE [HB 4150].

Again, we see the irresponsible spendthrifts in the Legislature hard at work creating more expenses in government without admitting or even hinting how much the 'Community Information Exchange' will cost'. And we taxpayers are to simply sit back and admire the show.

[HB 4150] will create and or link several databases, replete with patient information that may or may not be protected and or abused.

The concept is of [HB 4150] is a valid one but, when one mentions the Oregon Health Authority and Community Care organizations in cahoots with [HB 4150] in the same breath, the emanating foul odor cannot be masked with breath-mints and or farcical platitudes.

Mr. Oregon Concur-Let us also note, how many 'Non-profit and Public Benefit Corporations' support [HB 4150]-job security?
