

Submitter: David Wall

On Behalf Of: Mr Oregon supports all Nisei Veterans

Committee: House Committee On Veterans and Emergency Management

Measure: SB1509

Thursday, [02.17.22]

Oregon Nisei veterans bore an enormous burden during WWII.

Japanese-Americans were horribly treated during WWII in many ways. Their personal property confiscated, homes and businesses lost for ever and then there was being interned in camps. Yet, the Nisei soldiers rose from this hate and prejudice to become some of the highest decorated heroes our military has ever witnessed.

The State of Oregon should also remember the Tuskegee Airman of WWII in their 'road naming protocol.'

Thank-you Nisei soldiers and all members of your families as well

David S. Wall

Mr. Oregon Concur-Don't forget the 'Red Tails' either.
